Summary

Enthusiastic and motivated MCA student with a solid foundation in full-stack web and Android development. Proficient in modern technologies like HTML, CSS, JavaScript, React, Node.js, jQuery. Skilled in Java programming with hands-on experience in database management using MongoDB. Also experienced in building Android applications using XML and Firebase, focusing on seamless UI and real-time data handling. Built responsive and dynamic applications emphasizing performance and user experience. Strong in problem-solving, teamwork, and developing scalable, innovative software solutions. Actively seeking opportunities to apply technical skills and creativity to impactful, real-world development projects.

Education

Master of Computer Applications	(2024–2026)
Maharishi Markandeshwar Deemed University, Mullana, Ambala	
• Focus: Web Development, Software Engineering, Database Management	
Bachelor of Computer Applications	(2020–2023)
Veer Kumawar Singh University, Bihar	
• Key Subjects: Programming, Web Technologies, Data Structures	
Intermediate (Science),	(2018–2020)
• Shershah College, Sasaram, Patna	
Matriculation	(2018)
• Bihar Board, Patna, Bihar	

Projects

Mentor-Mentee Android App	(Jan 2025 – May 2025)
Tech Stack: Java, XML, Firebase	
• Built an Android app enabling structured mentor-mentee interaction with real-time chat and user role management.	
• Implemented secure login using Firebase Authentication and real-time data sync via Firebase Realtime Database.	
• Designed clean, responsive UI with XML to enhance user experience.	
Library Management System	(Jan 2023– June 2023)
Tech Stack: HTML, CSS, JavaScript, React, Node.js, Express.js, MongoDB	
• Built a web-based system to manage books, users, and borrowing operations.	
• Implemented user roles for Admin and Users with secure authentication and authorization.	
• Designed responsive UI and integrated RESTful APIs for CRUD operations.	

Skills

- Programming Languages:** Java, JavaScript, C++
- Web Technologies:** HTML, CSS, XML
- Frameworks & libraries:** React, Node.js, Express.js
- Mobile Development:** XML (Android UI), Firebase
- Database:** MongoDB, MySQL
- Tools:** IntelliJ, VS Code, Android Studio

Certifications

- HTML, CSS & JavaScript – Simplilearn
- Generative AI for Beginners – Simplilearn
- MongoDB Basics – MongoDB, Inc. (2024)
